// ABOUT US

Flashtify is a trusted name in Malaysia as a wholesaler and supplier of promotional USB pen drives and flash drives. We specialize in the supply of customized IT accessories like wooden and rubberized pen drives, leather thumb drive, key shaped flash drives and many other personalized IT accessories. All these products could be just the perfect gift option for corporate parties, seminars and conferences.

Our products are all quality tested with full memory capacity, premium quality memory chips and also come with a 5 years warranty. This is what makes us the premium Thumb drive suppliers in Malaysia. Even individual members can check our product section. We bring you personalized pen drives and flash drives that will make your loved ones feel special. Be it any occasion, IT accessories are always appreciated by all since they have a high utility value in the present age.
